Douglas, MA 01516 | jpduclos.98@gmail.com | (508) 344-4267

Graphic Designer | Brand & Marketing Design

Portfolio: JTheMaker.com

Multidisciplinary designer with 5+ years of experience creating branding, marketing, social media, digital, motion, and visual communication assets. Experienced working across Adobe Creative Cloud and Figma, translating complex information into clear visual systems, and maintaining design consistency across large-scale projects.

Professional Experience

Chickasaw Nation Industries, Norman OK

September 2025 - Present

Contract Graphic Designer

- Created diagrams, animations, photo assets, and instructional graphics for U.S. Navy training materials while ensuring compliance with established visual standards.
- Improved the creative production pipeline and served as a final quality-control checkpoint for graphics produced by the creative team.

Independent Work, Douglas MA

January 2022 - May 2025

Freelance Graphic and Marketing Design

- Redesigned digital and marketing materials across 4 dental-industry clients simultaneously, establishing cohesive visual identities across websites, social media, and promotional campaigns.
- Developed branding, graphic, and motion design material for a real estate client as well as a cleaning organization.
- Created 15 separate cryptocurrency NFT collections which included generating over 10,000 images utilizing python scripting for numerous pioneers of the blockchain industry.

The Rewilding School, Somers NY

May 2021 - December 2021

Social Media, Marketing Designer and Manager

- Managed Instagram, Facebook and email newsletter paid and organic growth to over 4,000 active members.
- Provided all graphic, video and motion design materials for social media, web, and marketing initiatives.
- Analyzed growth, provided research and development for future marketing and engagement initiatives.

Monica Rao D.M.D, Webster MA

June 2020 - May 2021

Social Media, Marketing Designer and Specialist

- Oversaw social media interactions, content calendar and growth analytics, utilizing problem solving skills, research and critical thinking to back my future directives.
- Successfully executed a complete overhaul to website, brand and marketing design.
